Comments

Dear Arleta,

APP/25/00174 | Listed Building Consent application for works to the Ship Inn to include raising and resurfacing of the carpark, provision of a retaining wall and steps to the southern courtyard, provision of replacement boundary wall to courtyard with brick-clad wall and flood glass barrier, provision of flood gate and new concrete footpath and low wall seaward of The Ship Inn Annex. | The Ship Inn, Langstone Road, Havant, PO9 1RD

Thank you for consulting me on this application.

In summary, I do not have any concerns in relation to ecological matters in relation to this Listed Building consent application. Ecological matters are addressed in substantial detail within the Environmental Statement and all relevant appendices (Coastal Partners, January 2025) and I have provided detailed consultation advice on those matters for application APP/25/00162.

I have no further comments to make on this proposal.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
