Dear Rachael,

TUI (THOMSON), 32 WEST STREET, HAVANT - PLANNING PPLICATION

Please find application for the above including:

1. Completed, signed and dated application form for Planning Permission and consent to display advertisement(s), incorporating ownership certificate B and Agricultural Holdings certificate (x4)
2. Ordinance Survey site plan with site outlined in red (x4)
3. Photograph of the store before scaffold and temporary support was installed (x4).
4. Drawing 113170/01 – 1:25@A3 Existing front elevation and section (x4).
5. Drawing 113170/02 - 1:25@A3 Proposed front elevation and section (x4).
6. Design and access statement (x4).
7. Fee (£265 - £170 for planning and £95 for advertisement permission)

As discussed with you on the telephone, I have provided a front elevation drawing only, as no work is being undertaken to the side or rear elevations.

The work is an essential repair. The existing sign has been set aside and will be fixed back in exactly the same position upon completion. The faience stonework to the column and parapet will be salvaged if possible, otherwise replaced with new faience by a stonework specialist. When the work is complete, the building will be as close in appearance as it was before the works commence as is possible.

Finally, I am unable to provide illumination figures for the sign (question 28h of application form). If this information is essential, could you please either state this as a condition on the approval or call to discuss?
