To whom it may Concern

We are currently using the land to house 2 caravans for the purpose of living in and are looking for the planning permission to do so. One caravan is for me and my wife the other will be used for my Son and daughter and her new-born baby. These are to be used as temporary housing for the foreseeable future as I plan to apply for planning permission to build a single storey 2 bedroom residential log cabin for me and wife and Son to live in with 2 small log cabins one of which will be a gym and the other will be a bird room and workshop.
