All dimensions to be checked and confirmed on site prior to commencment of building works.

Do not scale from drawings.

All elements to be measured on site before ordering.

Any discrepances on the drawing to be reported.

If in doubt, ask.

No liability is accepted for hidden details that may affect building work such as sub-soil conditions, existing wall constructions, lintels, beams, foundations, drainage etc. It is the responsibility of the person undertaking the work to expose all hidden elements prior to commencement of any building works.

Exact positions of drainage should ascertained prior to commencement of work / excavation of foundations.
