St. John's Church, Purbrook
Site plan

Marrelswood Gardens

Church Hall

Graveyard

Lych gate

Bus shelter

Start of new path

Memorial path adjusted.

Existing gate retained

Memorial path adjusted. Relocate slab 1 to A, 2 to B and 3 to C.

New insitu concrete path

Existing notice board retained

Set aside paving slabs and return path area to grass making good the contour of the ground

Adjust ground levels to remove steps

Remove tree stump

Form new banked edge to the path

New insitu concrete path

The path is to have a slight slope to one side so that water will run off and drain into the grass

Start of new path

Existing concrete paving slabs lifted and set aside

Low level flint wall with brick capping to be repaired

Existing In-situ cast concrete with gravel dressing
