**Application No. APP/10/00801**
**Address: 1B, Brockhampton Lane, Havant**

**Comments**
This property lies just outside the Black Dog Conservation Area and opposite a group of listed buildings. Based on the information supplied, I foresee no 'harm' to heritage assets (LB or CA) arising from the use. With no visitors to the premises, no vehicle generation and no signage it should have no greater impact than the current established office use.
