The Town and Country Planning (Development Management Procedure) (England) Order 2010
Refusal of Planning Permission

Application Number: APP/11/00920
Site Address: 12 The Drive, Havant, PO9 2BY
Proposal: Alterations to convert main roof from hip to gable

Further to your application received on 12 April 2011 which was valid from 26 April 2011 Havant Borough Council, as Local Planning Authority, **Refuses Planning Permission** for the above proposal.

The reason for the Council's decision to refuse planning permission is:

1 The proposed development would by reason of its gabled design in an area characterised by hipped roofs be an incongruous feature within the streetscene to the detriment both of the appearance of this pair of semi-detached properties and of the visual amenities of the area. The proposal is therefore contrary to policy CS16 of the Havant Borough Core Strategy 2011, which forms part of the Local Development Framework and Planning Policy Statement 1.

In coming to its decision the Council considered plans and other documents submitted with your application and the saved policies of the Havant Borough Core Strategy 2011, which forms part of the Havant Borough Local Development Framework.
