HAVANT BOROUGH COUNCIL
04 NOV 2011
RECEIVED

Site address:

Fernwood House
Unit 2
45/47 London Road,
Cowplain,
Waterlooville, Hants
PO8 8DH

The extract plant proposed consists of an extract hood over the cooker fitted with any necessary filters, with steel ducting at ceiling level discharging via a suitable extract fan to the rear wall of the Kitchen. The fan to be fitted on anti vibration mountings to eliminate any mechanical sound and vibration to the building. The discharged clean air will be at a level above door height and will present no nuisance or offensive odours.

Ron Razzell.
