Hampshire County Council

This application for planning permission is to provide replacement buildings and to refurbish existing accommodation at Park Community School, Middle Park Way, Havant, Hampshire PO9 4BU

Planning Permission: APP/12/00177

It has been identified that the decision notice issued by Hampshire County Council, the Local Planning Authority, on 27 April 2012 contained an error – the hours permitted for construction/demolition traffic to enter the site in the morning - condition 2.

Condition 2 read:

Hours of Working

2. There shall be no access to the development site by any traffic associated with the construction/demolition (i.e. no delivery vehicles, no contractors' cars, nor plant and machinery) in the morning between 0730 and 1845 and in the afternoon between 1330 and 1445.

   Reason: In the interests of public safety, to avoid traffic conflict at the times of pupils arriving and departing.

Hampshire County Council cannot re-issue the decision notice but it should be noted that the times should read 'in the morning between 0730 and 0845' consequently I would like to confirm that it was the Local Planning Authorities intention that the condition should read the following:

Hours of Working
