Dear Jacky Clark

SITE: 20 WOODLANDS WAY, HAVANT

Further to your recent letter dated 23rd September 2010, please find enclosed the amended drawings as per your request.

Your second point, regarding the three windows on the second floor, was in fact three access hatches to the storage areas behind the studwork partitions, regrettably I omitted the note. This has now been added to the floor plan to ovoid further confusion.

We hope the application can now be processed and registered.

Yours faithfully

Mr S Appleton
