Dear Ian,

Apologies for the delay in the determination of this application. It is a combination of it being exceptionally busy and there being an issue with the BNG calculator being uploaded to the CIL team's software, I am trying to understand this more from my colleagues on this. I am also awaiting the Council's Ecologist comment too. I would like to keep up the momentum on this application so we can determine this as soon as the BNG matters are resolved, could you please agree to an extension of time until 07/11/2024?

Kind regards,

Kayleigh Taylor MRTPI
