CHALET BUNGALOW AND GARAGE REVISIONS TO THE EXISTING APPROVED PLANS.
66, CREEK ROAD, HAYLING ISLAND, HANTS 06/54035/002

Please find enclosed 4 copies of a 1.1250 site plan with the red line around, for the above planning application.
This is a revision to the previously approved plan, works are still under construction.-

1. Dormer has been reduced in size, and the window to bathroom increased in size.
2. Bathroom windows are to be openable but to have frosted glazing and the side velux rooflights are to be opening with clear glazing, an additional velux has been inserted to give light to the first floor landing and staircase.
3. The rear parapitt to the single storey section of the lounge has been taken all around with a rainwater hopper outlet to the rear, the height has been increased slightly.
4. The garage has been amended to show rear doors and barn ends to the roof the side door has been omitted.

Please note plans have been sent electronically A3 size and PDF format, forms have been completed on line through planning portal.
Should you require any further information do not hesitate to contact me.

Yours sincerely,
