Dear Richard,

**27 Bacon Lane, Hayling Island – APP/11/01380**

I understand that you are going in for planning on a revised scheme for this site.

You have asked that I review Option 1 Plan Layout for Plot 1 on this scheme in view of the Tree Officer & Planning Case Officers comments regarding the need for an additional revised AMS if the build footprint overlaps the RPZ's.

I can confirm that Option 1 Plan Layout for Plot 1 shows the building line to be 125mm outside my assessed RPZ for the Oak on the road frontage and would therefore be supportable.

Yours sincerely,

Bernie Harverson
