3. 3no Drawing A Existing & proposed plan layout @ 1:100.
4. 3no. B Existing & proposed side elev. X.@ 1:100.
5. 3no. C Existing & proposed side elev.Y. @ 1:100.
6. 3no. D Existing & proposed rear elev @ 1:100. front as is.
7. 3no. E Grnd.fl. plan showing additional area °1:50.

Presently there is a small outside WC and timber summer house, plus assorted outbuildings which the owner wishes to demolish and replace with a 17m/2 , single storey extension, so as to rationalise and tidy up the property.

The new works do not overlook or interfere with any neighbours privacy or enjoyment of amenity, and no loss of natural light is suffered by the neighbours either.

Most of the properties in The Cresent benefit from both single and two storey extensions to the sides and rear.
The external fabric will match that of the existing house.

Should you have any queries please contact the writer at your convenience,

Regards,

[redacted]

Bob Ward.
