Hello Rob

In respect to this application – It is a very simple proposal that if undertaken correctly will not detrimentally affect the health of the trees – as such if permission is given then a condition to provide a simple method statement prior to work commencing should be adequate to ensure protection of the trees.

Thanks

J

Notes for Consultees using Consultee In Tray on Public Access

You will be able to access the full range of services on Public Access by using the Consultee In Tray which can be found under the My Profile tab.

Consultee Access allows you to see documentation that is not in the public domain (usually our pre-application enquiries) and saves your previous consultation responses.

If you have not yet registered your details on the website, please follow the instructions online and then email planning.development@havant.gov.uk to allow us to activate your consultee access and if you are experiencing problems with your access please let us know.

We can provide a User Guide on request.
