Proposed Development: First floor extension incorporating dormers to front, side and rear. New roof to conservatory. (The latter shown as 'replacement to conservatory' – Garden Room), amendment letter dated 20 July 2010)

This application with your previous reference APP/10/00209 was withdrawn prior to a decision following concerns raised by your Planning Officers. It is however my Client's wish to persue the application unaltered and for this reason it is re-submitted herewith consisting four copies of each of the following papers:-

Planning Application Form
Ordnance Survey Location Plan
Site Plan, drawing no. 10:01/05
Plans of the property as existing, drawing no. 10:01/10A
Elevations of the property as existing, drawing no 10:01/11
Plans as proposed, drawing no. 10:01/01C
Elevations as proposed, drawing no. 10:01/02C
Sections A-A and B-B of the proposed, drawing no. 10/01/03C

It may be observed that the drawings have been amended since the first Planning Application was made, such amendments were made to accord with the Building Inspector's requirements with the exception of that referring to the 'replacement conservatory' a matter notified to you on the 20th July 2010. I wish to clarify that with the exception of the latter no alterations have been made to the external appearance of the building.

I am of the understanding that no additional fee is required.
