

Good afternoon Kayleigh

We understand Warnford Park Estate will be used for third party nutrient mitigation. There is a fee associated with the monitoring of this type of agreement:

Third Party Nutrient Mitigation Schemes

Havant Borough Council is responsible for ongoing monitoring of Third Party Nutrient Mitigation Schemes. When accepting mitigation from such schemes for example Warnford Park Estate, the Council will need to seek a payment from the applicant to contribute towards these costs. The amount payable will be 1% of the total overall kilogramme (kg) purchase cost. Where this is calculated to be less than £100, a minimum fee of £100 will be payable.

This will be due prior to commencement.
