Dear Ms Clark,

Site at Rachel Madocks School - APP/10/00825

Thank you for your letter 8th November 2010.

We do not believe you are correct in your statement that notice has to be given 21 days before the application is submitted. Unless this is a regulation unique to Havant BC, then you are the only local authority of the many with whom we deal who require this.

We have to certify that anybody who was the owner 21 days before the application was submitted has had notice served on them.

I have added a north point to the 1:1250 OS extract.

The red line has been adjusted to enclose the Development Site, which was drawn incorrectly before, my apologies.

Revised drawings are attached.

Yours Sincerely
