

Dear David,

APP/25/00195 | Non material amendment subject to planning permission APP/23/00665, and relating to relocation off PV panels from the pitched roof to the flat roof following the review of the energy and sustainability strategy. A small portion of the wildflower green roof has been removed and replaced with single ply to provide safe access for maintenance of the plan area on the roof. There are shallow roof pitches on the building. Due to their design, and following British standards they have had to be changed from tiling to single ply finish. The bin and cycle store has been altered to a timber and steel pre-fabricated shelter. | Land on the east side of Helmsley House, Bartons Road, Havant

Thank you for consulting me on this application.

I have no objections to the proposed non-material amendment.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
