Dear Sir/Madam,

I have enclosed a planning application for land adjacent to our current car park to be used as overflow parking.

We have a temporary change of use at the moment, (application No 09/50671/017) which runs out on 30th June 2011 and would like to apply for permanent use as car parking.

I have enclosed letters of correspondence relating to above application number sent in 2009

John Hay
