

Proposed Front Elevation
1:100

Planting introduced to north west boundary for screening and privacy. Pleached Privett Trees, Cherry Laurel or similar. Trees offset from boundary to allow access behind for pruning.

Proposed Rear Elevation
1:100

Design information is work in progress and subject to detail development & Client approval. Accommodation schedules and figures provided are subject to amendments following coordinated input by others in the design team. Dimensions must be checked on site with any discrepancies reported to the Architect for confirmation prior to any construction. Costings should not be finalised until approval /confirmation by relevant authorities and Client. Any topographical / Ordnance Survey information visible has prepared by a third party, no responsibility will be accepted for accuracy or completeness of the survey.
