To Whom It May Concern,

LANDSCAPING DETAILS FOR APPLICATION FOR CHANGE OF USE TO CLASS A2 (FINANCIAL AND PROFESSIONAL SERVICES)

This application is for change of use only and our client will not take a lease on this unit without consent for A2 use. As such there are no further proposals or operational development planned at this stage. However, our client is aware that any additional works may be subject to separate application. Although any future shop fit-out works are unlikely to involve a landscaping proposal.

Yours faithfully

Ross Taylor
