Dear Sir or Madam,

PROPOSED SIGNAGE AT 124 SEA FRONT ROAD, HAYLING ISLAND FOR McCARTHY AND STONE RETIREMENT LIFESTYLES LTD

The above application has been submitted via the Planning Portal and I hereby enclose the appropriate fee of £95 with reference PP-1359525.

The application is for one v board sign with flags, which also includes advertisement material.

It is anticipated that the sign would remain in place for a three year period or until the last apartment is sold, whichever is sooner. The sign would be in a corporate green colour with white lettering. It is proposed to help with the marketing of flats and will also serve a highway safety function by directing potential purchasers who may be searching for the site.

Yours sincerely,

[redacted]
