Dear Sirs

Re: Proposed Alterations and Extension to 43 Wraysbury Park Drive Emsworth Hants

Further to the email received from your Mr Williams, please find enclosed 4No copies of our amended drawing No 1054/01B. As discussed with Mr Williams we have lowered the proposed patio by 75mm and indicated the current ground level.

We trust this now satisfies your query but should you require any further information or clarification, please do not hesitate to contact the writer.

Yours faithfully,

Trevor Ayles
