Subject: APP/24/00678

Hello Planning,

Please could this application go to the Planning Committee. I am in support of the application because as a Borough we want to encourage the use of electrically driven cars.

[APP/24/00678 | Proposed porous hard and soft landscaping improvements to enable EV charging to the existing grass driveway within the Langstone Conservation Area. | 2 Towers Garden, Havant, PO9 1RZ](#)

Kind regards,

Cllr Phil Munday
