Dear Sirs,

Re: TPO No 1185 - 7 Broadmeadows Lane, Waterlooville

The applicant commissioned an inspection of the three remaining trees that fall within the group of trees G2, shown on the plan accompanying the above Tree Preservation Order, as well as the recently planted amenity tree on the highway verge to Tempest Avenue. In the light of that report we hereby apply for approval for:

1. The regular crown pruning, by way of reduction and shaping and limited thinning every 3 to 4 years for tree A.
2. The removal of tree B
3. The removal of just three lower branches on the south side of tree X.

Trees A and B are within the curtilage of 7 Broadmeadows Lane. Tree X however falls within the curtilage of our client's neighbour, Mr and Mrs M Finch at 6 Broadmeadows Lane. Please find attached a copy of a letter from Mr and Mrs Finch confirming that they are happy for tree X to be included for consideration in this application.

Please find enclosed the underlisted documents and drawings for your consideration.

1. Application form for works to trees subject to Tree Preservation Order
2. Sketch Plan
3. Arboricologist's Report dated 25 October 2010
4. Letter from Mr and Mrs M Finch of 6 Broadmeadows Lane to the authority dated 2 November 2010.
