Dear Ms Sheath,

**Change of use of residential garage for beauty training and home office use. | 2
Charlesworth Gardens, Waterlooville, PO7 6AU**

Thank you for consulting the Highway Authority on the above planning application.

The applicant proposes the change of use of a residential garage for beauty training and home office use. The applicant has stated that a maximum of three visitors would attend the site during business hours and all parking is proposed within the site. It is considered that the proposed development is unlikely result in overspill parking or impact Charlesworth Gardens. The Highway Authority therefore has no objection to the development proposal.

Yours sincerely,

Michael Okubajo
