Display of 1No. back lit illuminated fascia sign to front elevation. | Apollo Fire Detectors Ltd, 36 Brookside Road, Havant, PO9 1JR

In regard to application APP/24/00608, the information supplied has been reviewed and there is no objection from a Highways perspective. Should the Planning Authority be minded to grant permission, we would ask for the following condition to be imposed:

Condition

The illumination of the consented sign(s) shall be no greater than 600 candela per square metres and no light source shall be visible from the highway.

Reason: In the interests of highway safety/amenity.

Yours sincerely,
