For attention of Ms Pickup

Dear Sirs

**Re: APP/25/00068 At Former Game Store, 95 London Road,
Waterlooville, PO7 7EQ**

Prior Approval for development consisting of works for the construction of 1No. 1 bed and 3No. 2 bed dwellinghouses upon the topmost storey on a terrace building where that development comprises rebuild of first floor together with any associated works.

I refer to the consultation relating to the above planning application and would make the following comments.

The Highway Authority would advise that it is considered that the proposal would not result in a detrimental impact on the operation or safety of the local highway network as the proposal is essentially a 'car free' development within a town centre location close to local facilities and services including public transport. Havant BC, as Local Parking Authority, will consider the suitability of the site being car free having regards to the Adopted Parking Policy and Standards SPD.

Having regards to the above comments the Highway Authority would recommend – No objection (no conditions).

Yours faithfully,

Ken Dudley
