Good afternoon Steve

Thank you for your email and sending through the Highways response. Thank you also for reconsulting on the further information that we have submitted. We wait these and the comments from the other outstanding consultees eagerly.

I am pleased to attach our response to the comments from Active Travel as well now.

I have spoken to the applicant about an extension of time. As we have made good progress with the two key responses (highways and LLFA) I have been asked if you would be able to target the February committee in the first instance, noting that with the Christmas break a January committee is not feasible. We are keen to move matters on with you and ask whether an extension of time until the end of February would be acceptable in the first instance.

I am now on leave until the 2nd January. However, should anything crop up this side of Christmas please do email me as no doubt I will check my emails over the next week.

Otherwise, wishing you a merry Christmas and a happy new year.

Kind regards
