

Dear Mrs Miszewska,

Planning Application APP/25/00174 (Frontage 3) The Ship Inn, Langstone Road, Havant, PO9 1RD

Thank you for your consultation. I would draw your attention to the submitted Heritage Statement that addresses the wider FCERM. The works subject to this planning application are addressed within that report under Frontage 3. Para 4.13.2 acknowledges that in light of the available archaeological evidence in the vicinity some archaeological potential exists. Para 6.5.4 and 6.5.5 indicates that the proposed groundwork elements of Frontage 3 do have archaeological impacts. Para 6.5.5 recommends that an archaeological watching brief is maintained. I would concur.

I recommend that an archaeological condition is attached to any planning permission which might be issued to secure an archaeological watching brief on the relevant stages of development,

Yours sincerely
