

All Dimensions In Millimeters Unless Otherwise Stated.

A. It shall be the contractors responsibility to verify all dimensions, details, and job site conditions prior to proceeding with the work. Report any discrepancies to the main contractor in writing prior to proceeding with any work.

B. In all cases where conflict may occur, as between items on plans, drawings and specifications or notes and specific details, or for any omissions, Simple Simon Design shall be notified to interpret the intent of the documents and drawings prior to proceeding with any work.

C. If due to the nature or method of construction, details as shown on drawings or specified cannot be staisfactorly achieved, the fabricator shall immediately advise Simple Simon Design and recommend a modification that is considered necessary for the proper execution of the work; this request shall be made in writing before any material is ordered of fabricated. Any unsatisfactory work that develops during fabrication or installation shall be corrected at the fabricators expense.

D. Fabricator to provide shop drawings for approval prior to proceeding with production.

E. In no event should working dimensions be scaled from plans or details.
