Subject: RE: Planning Application APP/23/00471 Land of North of Fire Station (Blue Star Land), Waterlooville

Hi Arleta,

I have reviewed the calculator and that looks fine to me. However, the applicant is unable to use the Council's own mitigation scheme they would need to use a third party scheme so they will need to submit a new EU checklist and tell us which scheme they intend to use and either evidence of a reservation of credits or full payment before we can undertake a HRA.

Thanks,

Gill Glover
