For attention of Ms Pickup

Dear Sirs

**Re: APP/25/00006 At Land adjacent to 65 Andrew Crescent,
Waterlooville, PO7 6BG
Erection of 1no. detached 2 bed dwelling to vacant land.**

I refer to the consultation relating to the above application and would advise that as the application is for a single dwelling and onwards there is no proposed change of vehicle access onto the highway as confirmed in the application form, HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority -

<https://www.hants.gov.uk/transport/developers/consultation>

However, the Highway Authority would confirm that if any changes to the existing dropped kerb to Margaret Close are required a further approval from the Highway Authority would be required and therefore the developer should be made aware that subject to any planning permission that may be granted by the Local Planning Authority, a subsequent permission will need to be granted by HCC as Highways Authority to undertake the dropped kerb works on the highway. Details of this procedure can be found via the following link:

Yours faithfully,

Ken Dudley
