Dear Mr Lakhan

Havant Thicket Reservoir Implementation:

Application to Havant Borough Council to discharge Condition 25 attached to planning permission reference APP/20/00990

Further to our recent discussions, on behalf of Portsmouth Water's appointed contractor, Future Water JV Ltd, I am writing to formally apply to discharge planning condition 25 (Enhancement and interpretation of the historic environment) as part of the implementation of Havant Thicket Reservoir.

The application has been submitted through the Planning Portal (Reference: PP-13315077) and the application fee of £145.00 (plus the administration fee) has been paid online. The Application comprises:

- This covering letter
- Application form
- Historic Interpretation Plan

A duplicate application has been submitted to East Hampshire District Council.

I would be grateful for the local planning authority's discharge of the condition at the earliest opportunity.

If you have any queries on the application or require any additional information, please contact me on 07941113896 or a.turner@adamshendry.co.uk

Yours sincerely
