For attention of Ms Miszewska

Dear Sirs

Re: APP/24/01022 At Land adjacent 1 Brookfield Close, Havant, PO9 3BB

Proposed Development: New water booster station and associated work

Thank you for the above consultation. The Highway Authority note the response from the applicant in relation to the matters raised. This was discussed at a meeting held with them of which the Planning Authority were in attendance on the 11 March 2025.

The Highway Authority consider that the land ownership status does not resolve any issues as the land in question is subject to highway rights which sit above any land ownership.

Clarity is sought therefore on the points raised and the applicant is aware of the additional information required to further inform the views of the Highway Authority on this application from the meeting on the 11 March 2025. This remains as set out in our response dated 26 February 2025.

Yours faithfully,

Holly Drury
Principal Transport Planner - Highway Development Planning
