For attention of Ms Pickup

Dear Sirs

Re: APP/24/01012 At 1 Sea Front, Hayling Island, PO11 0AG

Application for Change of Use to allow the use of the car park to site a car boot sale once a week on a Wednesday morning

I refer to the consultation on the above application and would make the following comments.

It is understood that the car boot sale has been held on the adjacent site for a considerable number of years and the proposal seeks to transfer the car boot sale to a similar sized site on the adjacent car park site.

In highway terms, it would seem that the proposal would be unlikely to result in a significant increase in traffic on the network. Any likely associated impacts on nearby public car parks and streets would be considered by HBC as the Local Parking Authority.

Having regards to the above comments, subject to the views of the Parking Authority in relation to impacts of the associated parking, the Highway Authority would recommend - no objection (no conditions).

Yours faithfully,

Ken Dudley
