

Proposed Plan

Diagram illustrating the proposed plan for a driveway layout, showing the relationship between the existing driveway, new gates, and surrounding boundaries.

Key Features and Annotations:

- Existing driveway to be resurfaced with asphalt**: The main area of the driveway.
- New 325mm wide x 1.8m high brick pier to match existing**: A new pier to be installed near the top left gate.
- New 1275mm wide x 1.8m high pedestrian gate to match existing vehicular gates**: A new pedestrian gate to be installed near the top left gate.
- Existing driveway**: The area currently used for vehicle access.
- Existing Boundary Fence**: The fence line running along the right side of the driveway.
- Edge of Footpath**: The boundary between the driveway and the adjacent footpath.
- Kerb to Roadway**: The boundary between the footpath and the roadway.
- New 1.8m fence**: A new fence line running along the bottom left and bottom right of the driveway.
- Existing 1.8m fence**: The existing fence line running along the bottom left of the driveway.
- Existing hedge**: A green area located near the bottom right corner of the driveway.
