Comments

Dear Josie,

APP/23/00853 | Proposed installation of photovoltaic solar panels on roof. | Marina Developments Ltd, Northney Marina, Hayling Island, PO11 0NH

Thank you for consulting me on this application.

The application is not accompanied by any ecological information. I have undertaken my own non-exhaustive desk-based assessment using the application documents, online sources and GIS mapping. The existing building is a modern structure with a roof clad with interlocking tiles in sound condition. On that basis I would not expect the proposed works to result in impacts to protected species such as roosting bats and nesting birds. I do not consider that additional information is required.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
