**CONSULTATION UNDER THE TOWN AND COUNTRY PLANNING
(DEVELOPMENT MANAGEMENT PROCEDURE ENGLAND) ORDER 2010**

Planning Application Reference:	APP/20/00285
Proposal:	Land raising of the recreation ground at Hobby Close Field using inert clean soil material to solve inherent drainage problems in ground and provision of sports field. Temporary construction routes from Eagle Avenue to the east and north of the site. These works would also allow for new play area and skate park to replace the existing ones on site (the play area and skate park works do not require planning permission). (Approved 4.11.2020). Request to Discharge Conditions 3, 7, 9 & 10 (26.01.2023)
Location:	Recreation Ground, Hobby Close, Wecock, Waterlooville
Date:	06 November 2023

Thank you for consulting Portsmouth Water on the Notification of Compliance with Condition(s) associated with the above application.

Portsmouth Water Catchment Management Team have reviewed the documentation in relation to Conditions 9 and have the following comments. Our response is based on review of the following documents:

COVER_LETTER_WITH_FURTHER_INFO-1845432
MATERIALS_MANAGEMENT_PLAN_V1.2_REV_1-1845429
APP_20_00285-SITE_PLAN_REV_2_JUNE_23-1845428

Condition 9

In our response dated 17th March 2023 we requested more information be provided on the pollution mitigation measures for the storage and dispensing of fuel on site. We note that some information has been updated within the materials management plan, however we do not deem

this level of information to be adequate. We require more detail on refueling procedures, delivery of fuel procedures and training of staff etc.

Please provide details of your procedures for controlling and dealing with spillages, refueling of plant, delivery procedures for fuels, reducing the need for stockpiling and/or controlling the size of stockpiles and details of plant/site inspections.

We therefore do not support the discharge of this condition.

Catchment Management Team
