Hi Kayleigh,

Thanks for your email. I would be most grateful if you could give me a quick call on this, please?

I have caught up with the client and they appear willing to accept the highways contributions. Perhaps we can get legals underway on that basis?

We are also working through the amendments and will be able to get a full response to you within the week. However, given the consented position, I find it difficult to see how a landscape objection could be maintained. The scheme is wholly comparable to the landscaping strategy as previously agreed and accepted by the LPA.

On that basis could be please agree to an extension of one month in the first instance until the 28th of September 2024.

Many thanks,

Alastair,

Alastair Thornton
