Dear Ian,

Thank you for your email and further information. On this basis, I am happy with the lawfulness of the site.

Please see attached comments from the Council's Ecologist. Please can you address these and my comments in my earlier email and submit information to me by Friday 6th September?

I will reconsult the Council's Ecologist accordingly. I haven't heard from the County Arboriculturist as part of the consultation period, however, we will have an inhouse arboriculturist from September so will check they are satisfied with the relationship with the trees and whether any conditions are required.

So we can consider this further please can you agree to an extension of time until 27/09/2024?

Kind regards,

Kayleigh Taylor MRTPI
