**Proposal:** Discharge of Condition

**Sport England Reference:** PA/23/SE/HV/66493

Thank you for consulting Sport England in respect of the details submitted under the above planning reference to discharge condition no.4 relating to the removal of works/compound and reinstatement of playing field land in respect of planning permission APP/23/00004.

Sport England was consulted on the details at pre-application stage. Sport England raises no objection to the partial discharge of the condition in respect of the works but would ask for further details in respect of the compound areas and the associated reinstatement of playing field land. It was agreed with the agent that further details would be submitted in due course detailing this.

On the basis of this agreement, Sport England is satisfied that the condition can be partially discharged in line with the submitted details. We await further details in order to consider that the condition can be fully discharged.

If you have any queries, please contact the undersigned.

Yours sincerely,

Owen Neal
