For attention of Ms Donophy

Dear Sirs

Re: APP/24/00776 At Unit 3 6 Park Way, Havant, PO9 1HH

Use of Unit 3 as a 24-hour gym, installation of mezzanine and external works including rear external condensers, louvers and doors and amendment to front doors.

I refer to the consultation relating to the above application and would make the following comments.

The proposal here essentially relates to a change of use from A1 shop to E(d) fitness. No transport supporting information has been provided to date and this application should be supported by a Transport Note which compares the trip rates and parking accumulation for the permitted use and proposed use to understand the likely traffic and parking implications. This information will also support the Planning Authority, as Local Parking Authority, in considering the requirements for car and cycle parking to support the proposal.

Having regards to the above comments the Highway Authority would recommend **a holding objection** until further information is provided.

Yours faithfully,

Ken Dudley
