Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Main concern is lack of consultation with local residents. Current issues

- doctors and NHS already overwhelmed (hospital at least a year wait)
- traffic congestion is a challenge in the area around portsdown hill, South Downs and stakes Hill Road
- an area off scratchface lane is also being considered for development but planning applications don't link or consider the bigger picture and impact
- Buses are already standing room only so where is the additional funding to increase this service
- we don't have sufficient leisure, health or education in the area and you want to add an additional 750 houses (around 1500 people) where does the additional infrastructure come from
