

Subject: Amazon 32 New Lane Planning Permission APP/21/01244 - Monitoring and operational management plan (Conditions 9 & 10)

David,

Please first attached the Fifth Monitoring Report for the period 1st April to 30th June 2024.

I am sure you will note the offer to continue monitoring to the end of this year, which is an additional two periods beyond the next period, in recognition of the monitoring equipment failures.

Regards

Ian
