Hi Robert.
Thank you for the opportunity to comment on this application: APP/24/00613 | Resubmission of APP/21/00290. Removal of roof and wall tiles, replace with natural slate roof tiles and natural timber vertical cladding to walls, addition of a window to the south elevation. | 4 Deanswood Drive, Waterlooville, PO7 7RR

The proposal will have no impact on trees: there are none on site and the adjacent plot will not be affected: there is extensive hard standing for working space and no excavation is proposed. Therefore, there is no objection on arboricultural grounds.

Many thanks,
Sarah
