Planning Application APP/23/00928 Havant College, Barncroft Way, Havant, PO9 1QL

Erection of new three storey teaching building and provision of 8No. additional parking spaces, 14No. cycle spaces, new fencing and landscaping.

From a landscape perspective we have the following comments:

- The introduction of a 3 no. storey unit fairly close up to boundary is deemed to have a detrimental impact on the existing open character. To mitigate this visual impact we require significant boundary screening to screen the views, which should be in the form of UK native trees.
- Given the recent upgrades to Elmleigh Road off road cycle routes we would advocate the inclusion of additional cycle storage facilities to encourage sustainable transportation inline with HBC policies.

Kind regards,

Harry Mitchell CMLI
