Subject: RE: Objections to proposed housing development land at Kingscroft Farm adjacent to Ridgway and, Marples Way, Havant reference APP/22/00669

Dear Cllr Harris

Thank you for your email and I have noted the concerns expressed below.

I confirm planning permission has not been granted for the above development as there are still several issues that need to be resolved before a recommendation may be made on the application. If Officers make a positive recommendation, then the proposal will be determined by the Planning Committee, at a date yet to be decided.

I trust this reply addresses your queries, but always here to help with any questions you may have on the application.

Kind regards,

Lesley Wells

Principal Planner

Subject: Fw: Objections to proposed housing development land at Kingscroft Farm adjacent to Ridgway and, Marples Way, Havant reference APP/22/00669

Dear Planning

I have received this objection to the housing development at Kingscroft Farm. I have looked at some of the 129 documents on the planning portal and am unable to ascertain when or if this planning application is either going to planning committee or being decided on. My understanding was that the planning permission has already been granted.

Please could you clarify, and also take note of the concerns expressed below.

with best wishes
