

Levels

The construction area of the site is level and changes to the main structure are limited hence no level survey has been provided

Flood Risk

This site does not fall in a flood risk area hence no flood risk assessment has been provided

Tree Survey

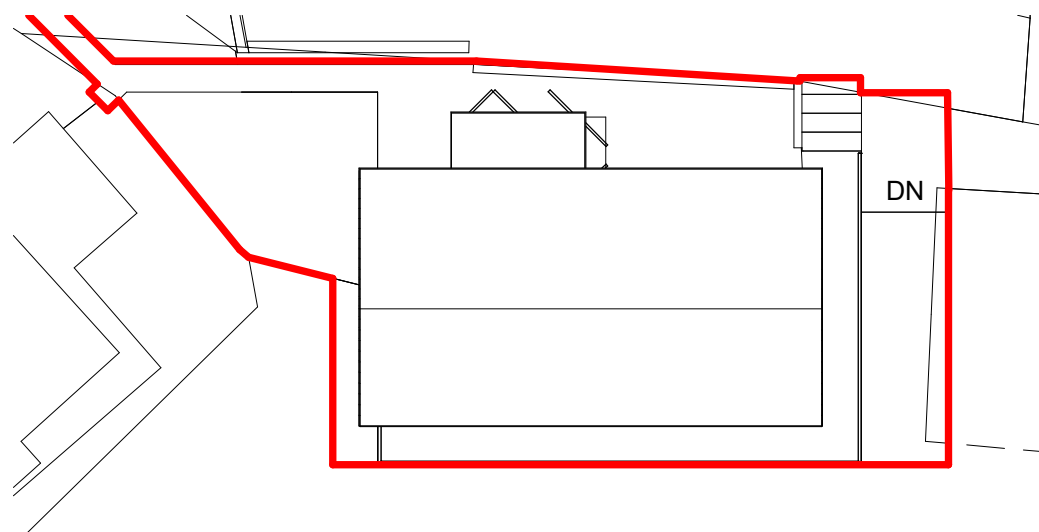

This proposal has no impact on trees

Parking Provision

This site retains shared parking facilities no increased occupancy is proposed

Boundary Treatment

The boundaries are defined by changes in levels and ground materials, physical boundaries only exist as hand rails to prevent falling
